Re: Village Election Petition

Dear Ms. Zelinski:

I have reviewed the petition you filed in my office on September 10, 2018 at 3:52 pm requesting that a proposition changing the date of the annual general village election of the Village of Pelham to the Tuesday next succeeding the first Monday in November be submitted to a referendum vote on November 6, 2018. I have determined that the petition is invalid.

New York State Village Law Section 9-902(8) requires that "the sheets of such a petition shall be numbered consecutively beginning with number one at the foot of each sheet" The petition you submitted was not numbered. Because the petition is not in the form required by the statute, as a matter of law, I must, and hereby do, determine that the petition is not valid.

Sincerely,

Terri Rouke
Village Clerk
